PARTNER SPOTLIGHT **Neurology & Movement** **Center of Texas**

Thank you to the Neurology & Movement Center of Texas for donating \$5,000 to support our programs to improve elderly care and events across the Houston area. Neurology and Movement Center of Texas is dedicated to providing specialized, compassionate care for individuals living with neurological and movement disorders. Their experienced team offers comprehensive evaluation, diagnosis, and treatment for conditions including Parkinson's disease, essential tremor, dystonia, migraines, epilepsy, neuropathy, and other neurological conditions.

With a focus on personalized treatment plans and advanced neurological care, Neurology and Movement Center of Texas strives to help patients better manage their conditions and improve their quality of life. We are proud to recognize them as a valued supporter of our community

FUTURE EVENTS

October

We're so excited to announce the continuation of our biweekly service initiatives! We will continue to work with our partnered senior homes -- Delaney Senior Living, Affectionate Care, and Sunrise of Cinco Ranch. As we are still in the process of setting up a schedule, be on the lookout for sign ups in the following weeks to join us in helping show kindness, love and joy to our surrounding community!

| Event Recap

Care Package Event September 12

This past month, Hearts for Elders hosted a very successful care package event with over 70 volunteers who created more than 1000 packages for seniors around the Katy area. Our volunteers helped pack various hygiene essentials, write and illustrate personal cards to uplift our surrounding citizens. In the following weeks, Hearts for Elders hand-delivered each bag to elderly at our partnered senior homes and were so delighted at the gratitude and positive feedback we received.

As our mission is to build companionship and connection across generations, these events are a crucial first step in engaging volunteers with assisting and providing for older adults.

Hearts for Elders is extremely grateful for the community and partners that help make these events successful; moreover, we continue to recognize such support and contributions as we make a lasting impact on our community together.

What we did this month!

Using our care packages and hand-written cards, Hearts for Elders continued to remind seniors in our community that they are constantly appreciated. In engaging volunteers with our deliveries, biweekly service initiatives and more, we aim to bridge such intergenerational gaps by supporting seniors with love, joy and care.

By supporting our crowdfunding campaign, you can help us provide meaningful experiences and resources to seniors while making a lasting impact in the community. Every contribution, big or small, helps us put more heart into caring for our elders.

***"WE'RE ALL
GOING TO BE
ELDERLY ONE
DAY, SO LETS
FOSTER A
NURTURING
CULTURE NOW"***
